FACE COVERINGS IN CHURCHES

At this time, the government has not formally made mandatory the wearing of face coverings at Mass or other liturgies. This is, in part, due to the fact we are committed in the document published by the Western Bishops, *Nothing Can Separate Us From The Love Of God*, to maintaining physical distancing between household groups and strict adherence to all government guidance on hand hygiene, cleaning, ventilation etc.

It however remains our responsibility to ensure that our churches are safe places for all who come to pray. It has become increasingly clear that the wearing of face coverings, in conjunction with hand washing etc, is likely to reduce the spread of Coronavirus, thus helping to protect others. Their use is therefore one way in which we can evidence protection for the most vulnerable, support for our health workers and practical love for our neighbours.

Following further guidance from public health authorities, I am recommending and encouraging the use of face coverings at all Masses and other liturgical celebrations in the Archdiocese, along with the ongoing maintenance of two-metre physical distancing.

I take this opportunity to thank you very much for the work you have done in preparing your churches for the resumption of Masses, and I thank members of Pastoral Councils, Stewards, Cleaners, other volunteers, and all who assist in keeping the churches sanitised and safe for all.

With every good wish and the Lord's blessing,

Yours sincerely,

+Michael Neary
Archbishop of Tuam
