### I Am Standing Upon The Seashore

I am standing upon the seashore.  
A ship at my side spreads her white  
sails to the morning breeze and starts for the blue  
ocean.  
She is an object of beauty and strength.  
I stand and watch her until at length  
she hangs like a speck of white cloud  
just where the sea and sky come  
to mingle with each other.  
Then, someone at my side says;  
"There, she is gone!"  
"Gone where?"  
Gone from my sight. That is all.

She is just as large in mast and hull  
and spar as she was when she left my side  
and she is just as able to bear her  
load of living freight to her destined port.  
Her diminished size is in me, not in her.  
And just at the moment when someone  
at my side says, "There, she is gone!"  
There are other eyes watching her coming,  
and other voices ready to take up the glad shout;  
"Here she comes!"  
And that is dying.
