BUILDING UPDATE –As soon as the restrictions are lifted, the renovation work at the Church of Our Lady and Saint Nicholas Dunmore will commence. A word of thanks to all those who have helped in bringing the project this far and all those who have contributed financially to date. The building work will take 30 weeks to be completed and during that time, in the interests of safety, access to the main body of the Church will be not be possible. While this will bring certain limitations, we are fortunate that we have two other parish Churches at Garrafrauns and Kiltvna to celebrate the sacraments. Dunmore Community school have kindly offered the use of the school auditorium and we are very grateful for this. We ask parishioners to note that as soon as building work begins:

- the side entrance at Dunmore Church will be adapted to create a day chapel where people can come to pray or to light a candle at any time.

- all funerals, baptisms and weddings will be moved to Garrafrauns and Kiltvna Churches.

- when public Mass returns, Masses will be held in Dunmore Community School as well as Garrafrauns and Kiltvna Churches.

Thank you for your understanding in this regard. May Jesus, the Good Shepherd guide us as we prepare through this development to pass on the light of faith to future generations.
