DUNMORE TIDY TOWNS –Wild Flowers Meadows and Gardens – now is the time to create a wild flower garden or meadow on your property, in this way you will participate in the All Ireland pollinator plan which aims to address the rapid decline in our Bee population, one third of our ninety nine bee species are threatened with extinction with serious consequences for farming and gardening. To establish, cut the grass and allow the wild flowers such as dandelions, clover, knapweed to bloom or alternatively sow wild flowers as if seeding a lawn. Full information can be obtained via the internet www.pollinator.ie or google All Ireland pollinator plan. Tidy Towns prepare an area for wildflower planting on the Tuam Road. It is important that only native Irish wild flower varieties are sown in your garden or meadow. Seeds can be purchased in most garden centres. Some information on wild flower planting is available in Eurospar, Dunmore.
