DUNMORE HERITAGE- Dunmore Heritage Audit is now available to view online. This is a project that our group has been working on for the past 2 years. It gives a comprehensive record of the built, natural & cultural heritage throughout the whole of Dunmore parish. The conclusions and recommendations sections will give you a flavour of some future projects that may come out of this audit to benefit our area. We have already started working on some of these and will be showcasing our progress during Heritage Week from 14th-22nd August. Thank you to [Galway Rural Development](#) who supported this project as well as those who generously gave private donations. It is much appreciated!
