DUNMORE TIDY TOWNS NEWS - The County Council engineer Mr Tom Regan has agreed to conduct a Foot Fall and traffic speed survey at the Church of our Lady and Saint Nicholas, with a view to the provision of a pedestrian crossing, and or traffic calming measures (eg narrowing of the road supported by flashing beacons) to facilitate pedestrians and, to slow vehicle traffic entering High Street. The engineer also plans to do a survey of traffic from Castle Street approaching the Junction with the square - a scene of frequent, potentially dangerous accidents. The plan for the regeneration of Bridge Street has still not been submitted to An Bord Pleanala. It is vital that all concerned in the community should put pressure on our local Politicians to see that the derelict and dangerous situation on Bridge Street is rectified immediately. A special word of thanks to Councillor Joe Sheridan for all his productive work on behalf of our community, as evidenced by the new pedestrian crossing on Sion Hill and the extension of the path (with lights) on Dublin road.

The Prayer of Jesus(The Unity Prayer)

My adorable Jesus

May our feet journey together

May our hands gather in unity

May our hearts beat unison

May our souls be in harmony

May our thoughts be as one

May our ears listen to the silence together

May our glances profoundly penetrate each other

May our lips pray together to gain mercy from the Eternal Father
